September 2019

WHAT IS THE SPECIAL EVENTS LIABILITY INSURANCE PROGRAM

This policy was designed to provide liability protection for Public Entities that permit public events to be held on the Public Entity's owned or managed property.

Parties who use County of Los Angeles facilities operated by concessionaires, such as Raging Waters, cannot utilize the SELIP Program to obtain insurance. Please refer to your use permit for insurance requirements.

Examples of event classifications:

1. A group of citizens want to hold a block party and requests a street closure.
2. A religious group wants to hold a service in a public park.
3. A parade, street fair, sidewalk sale, wedding, reunion, or social gathering taking place on Public Entity property or in an entity owned or managed facility.

These are just some of the most common examples. Consult the attached Event Schedule for a full range of eligible activities.

When the event holder contacts the Public Entity for a permit or permission to use a Public Entity facility, they would be informed of the insurance requirement and offered the opportunity to access the Master Policy. We can provide a simple handout with a toll-free number that the event holder can access for additional information or a quotation.

HOW DOES THE SPECIAL EVENTS LIABILITY INSURANCE PROGRAM WORK?

The event sponsor goes to the <https://riskmanagement.lacounty.gov/> website, clicks on the "INSURANCE" tab, scrolls down to the "SELIP" heading, and clicks on the "VISIT SELIP" link. Next, type in the venue code: **4929-000** and completes the first three steps of the form to obtain the online quote. For further assistance, please call a customer service representative at (949) 349-9825 to walk you through the process of determining the correct special event and activities, and what coverage the Public Entity requires. If the event sponsor elects to use the proposed insurance program, they will need to pay the amount of the premium directly online via a payment by credit card option. Upon receipt of payment, a Certificate of Insurance will be issued. **Please refer to the attachment at end of this brochure for step-by-step instructions on how to obtain a quote.**

At the end of each month, AJG will provide the County of Los Angeles with a copy of all event sponsors who have been issued coverage through the Program. This report includes the name of the sponsor, event name and location, the premium paid, and department requesting the coverage. A copy of each Certificate of Insurance issued will be attached to this report. The County of Los Angeles will also receive a claims status report of any new or ongoing claims.
